

PAL's

Adaptive Baseball League

February 2009

Dear Friend of Adaptive Baseball,

PAL's Play Ball Adaptive Baseball League is now preparing for our FIFTH season. For those of us who have been here since the program began in 2005, it is impossible to convey the special memories created on the field! For those who are new to Adaptive baseball, it is for children ages 5-21 with various disabilities. With the help of volunteers, buddies, parents and great people with huge hearts, we lift these special children from the sidelines onto the ball field.

We hope to depend on you or your company to sponsor our adaptive league this spring with a \$50 donation. Your company's name will run the bases on the back of the player's shirts. Please attend a game, sign up to pitch or join us to cheer on our "special" children. All sponsorship money for this program will be used solely to purchase trophies, player's shirts, hats and an end of season picnic and awards celebration.

If you would like more information or have any questions regarding this program and its special children, please feel free to phone or email me at any time. Checks for sponsorships should be made **payable to PAL** and mailed directly to me before April 1, 2009. On behalf of all parents of children with special needs in this wonderful program, thank you!

Sincerely,

Johnna Slzith
